

PEGASYS is a multidisciplinary strategy and management consulting firm. Founded in 2000, **PEGASYS** is a trusted advisor and partner to the public and private sectors globally. We work with governments, international financial institutions, private clients and investors to design, finance, implement or establish the strategies, institutions and structures needed to deliver and manage infrastructure and services, while safe-guarding natural resources. We operate in seven sectors, namely cities, climate, energy, resilience, transport, waste, and water. Together with our clients and partners, we are improving quality of life, access to economic opportunities and building resilience through innovative yet workable solutions.

We are looking to recruit a **Consultant** into the Cape Town office. This individual will work in our Transport Practice, supporting short-term consulting and longer-term project implementation assignments, and may also be requested to support other practices

In line with the company's employment equity plan, this role is an **employment equity position** and open to such applications.
